The references listed in the attached Form 1449 may be material to examination of the above-identified patent application. Applicants submit these references in compliance with their duty of disclosure pursuant to 37 CFR §§1.56 and 1.97. The Examiner is requested to make these citations of official record in this application. I hereby certify that item A listed below was cited in a communication from a foreign patent office in a foreign counterpart of the above-identified application prior to the filing of the Information Disclosure Statement. A copy of that communication is enclosed. Copies of the references listed on Form 1449 are also enclosed.

This Information Disclosure Statement is not to be construed as a representation that a search

has been made, that additional information material to the examination of this application does not exist, or that these references indeed constitute prior art.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Luann Cserr', with a long horizontal flourish extending to the right.
